CANCELLATION OF ALL MEETINGS OF THE PARISH COUNCIL AND THE ANNUAL PARISH MEETING UNTIL FURTHER NOTICE

24th March 2020

The Parish Council has decided in view of the Corona Virus (Covid 19), in line with Government advice, to cancel all our meetings until it is safe to continue.

However, we wish to keep our community safe during these troubled times and ask that you contact any Councillor or Parish Clerk should you be aware of anything that requires immediate attention. e.g. Potholes, footpaths, tree damage or damage to the Parish Council property such as the seats.

Pettistree has a great community spirit and as soon as the Government announced the restrictions on our personal activities, the **Pettistree Support Group** was organised. This operates with the firm support of Pettistree Parish Council, The Pettistree Village Hall Committee, and the Church of St Peter & St Paul. It is led by Mrs Catherine Caudwell and Miss Flora Beagley.

If you have not already done so, you should join the "What's App" group (on your mobile phone) for information, to volunteer, or of course to request help in connection with obtaining medicines, essential food or equipment.
